

DYSTOPIAN WARS

UNION VISUAL ID GUIDE

This document helps to identify the models, turrets, tokens and markers available to the Union faction, as described in the Union ORBAT 4.00 (Launch Edition). From v4.01 onwards, this information will be consolidated into the ORBAT itself, and this document will no longer be required.

Note that where there are two or more images for a component, these are interchangeable and use the same rules.

UNION HARPOINTS WEAPONS

These turrets often appear as **Hardpoint Weapons** on models in the Union ORBAT.

**CHESAPEAKE
GATLING
BATTERY**
