

ENLIGHTENED HANDBOOK

This document is the Faction Handbook for the Enlightened, known in shorthand as a Handbook. Once you have agreed the points limit for your Adventure, each player must consult the Handbook for their chosen Faction. This Handbook allows a player to create a Force for the Enlightened in games of Wild West Exodus. We have made Unit cards available too, for quick reference in games. **Important:** For the avoidance of doubt, the rules presented in the latest version of the Handbook always take precedence over any Unit or Detachment rules presented elsewhere.

Each Enlightened Force must include one or more Detachments. A Detachment is a group of Units that are always led by a Commander. There are a number of Detachments available to the Enlightened each with an array of units to choose from and some even with additional rules or benefits.

- **Posses and Detachments are selected from the following composition rules. Each bullet point is self-contained. You cannot satisfy a requirement from a different bullet point in the composition rules.**
- **A Detachment may only ever include one COMMANDER Unit unless the Detachment composition specifically states otherwise. A Detachment cannot include a BOSS Unit.**
- **Up to half the Units in a Detachment may have the SUPPORT Trait.**
- **Each Detachment (but not Posse) included in the Force allows for a single Angry Mob Unit or Civilians Unit to be included. These are considered Friendly Units but are not part of any Detachment.**

APPENDIX

CLASSIC WILD WEST EXODUS MINIATURES

The following is the official 'Counts As' guide for players to make use of older and out of production Classic Wild West Exodus miniatures in games. These are official guidelines and so may be used for tournaments, organised play and any other sanctioned events.

The models **MUST** be taken as indicated here. Any Unit upgrades listed must be taken and no other options are available to the Unit from the Handbook. That way, an opponent that encounters a Classic Model in games will know exactly what it represents without further explanation or note keeping.

Important: As the range of units for the Faction expands with new releases, this list will adapt to include other Classic Miniatures that are now able to Counts as one of these Units in the game. So, if there is a classic miniature in your collection that is not listed below, do not worry, it will be added as the range expands and it gains something it can 'count as'.

Classic Name	Counts As	Notes
Haupt Heavy Borer	Enlightened Ironhide	Upgrade: Haupt Heavy Boring Gear
Flame Truck	Enlightened Ironhide	None
