THIS UNIT HAS THE FOLLOWING SPECIAL RULES:

TEAMWORK, METTLE, THE QUICK AND THE DEAD, TARGET PRIORITY, (For more details see p.12 of the Rules)

DURABLE: This Unit may ignore the first point of Piercing from an attack, unless it has the Brutal, Blast or Torrent Quality.

FAILSAFE DETONATOR: SPECIAL ACTION - This Unit is removed from play once this Action is resolved. Any Model (friendly or enemy) in Base contact with a Model in this Unit suffers an automatic hit with a -2 Piercing. This Action cannot cause a hit on other Models in this Unit.

FRENZY: For each Critical Success this Model rolls during a Fight Check, this Model may make an additional Attack as a Free Strike Action (or Free Special Action if the Attack had the Special Quality, even though not normally permitted). This additional Attack is still subject to Frenzy.

MONSTROUS: If an enemy Unit takes a Morale Check within 5" of this Unit, the Morale Check must be re-rolled if successful.
