BASIC MELEE ATTACK

	-	0	1
--	---	---	---

THIS UNIT HAS THE FOLLOWING SPECIAL RULES:

TEAMWORK, METTLE, THE QUICK AND THE DEAD, TARGET PRIORITY, (For more details see p.12 of the Rules)

DEADEYED: This Unit may target Units with the Target Priority rule, even if they are more than 5" away (subject to range and Line of Sight as normal). Once each Round this Unit may make a Go On Lookout Special Action for Free.

DISPERSED DEPLOYMENT: This Unit cannot be placed into Reserve. After standard deployment but before any Trailfinder Units have deployed, starting with Player B, each player must alternate in placing a Unit with the Dispersed Deployment rule onto the Play Area. Units must be placed at least 10" away from any enemy units.

KILL SHOT: Human Initial Targets must re-roll successful Grit checks against Shoot Actions from this model.

LONG SHOT: This Unit ignores long range penalties for Shoot Actions. If this Unit has the On Lookout Condition it may make a Give 'Em Hell Reaction against Enemy Units that are Placed from a Flight or Sky-Leap Special Action within 10" of this Unit.

SET BOOBY TRAPS: After both sides are deployed but before Trailfinder rule, starting with Player B, each player may choose each of their Units with this rule. Place 2 (or place 1 & remove 1) Size 1 Booby Trap Marker in the Play Area. Alternate the selection of Units until all Units with this rule have placed or removed Markers. Markers may not be placed within 10" of another Marker or Model. During the Adventure, if any part of a Unit's Move Action takes place within 4" of the Marker then they have entered an area containing hidden traps. The Unit must pass a Quick Check for no effect. If the Quick check is a Critical Success remove the Marker. If failed, at the end of that Move Action, the Unit suffers an automatic hit with a Piercing -2. If the Quick check is a Critical Failure, the hit is Piercing -4.

TRAPPER: When using the Set Booby Traps rule, this Unit may instead remove up to two Size 1 Booby Trap Markers instead of the usual 1. This Unit critically passes the Quick check when making a Move Action within 10" of a Booby Trap Marker.
