### THIS UNIT HAS THE FOLLOWING SPECIAL RULES:

COMMAND, METTLE, THE QUICK AND THE DEAD, TARGET PRIORITY, (For more details see p.12 of the Rules)

CHAIN OF COMMAND: Provided there is another Unit from its Detachment within 12", this Unit restores its Fortune at the end of its Activation as normal. Otherwise this Unit automatically restores its Fortune at the end of the Round. This Unit's Fortune cannot be used by another Unit with the COMMANDER or BOSS trait.

DEATH DEFYING: This Unit may be included for free in a Force that contains a Unit with the same name. This will be explained in the Faction Handbook if applicable. Otherwise, this Unit may be included in a Detachment or Posse as normal for the points cost shown.

DERRING-DO: The Unit may choose to count the Guts bonus provided by a single Adventure Card played during their Activation as being +1 Limit instead of the actual bonus printed on the card.

FORWARD ECHELON: While this Unit is within 3" of one or more Friendly non-Disordered HANDS or TROOPS Units, this Unit and the HANDS or TROOPS Units ignore the Brutal Quality from any hits against them. This Unit may Go On Lookout for a cost of one Action Point, regardless of how many Combat Actions it has made this Round.

GAMBLER: When Activated, this Unit may discard their Action Card and draw a new Action Card from the deck. If it does so the new card is applied immediately. The Unit ignores their Action Limit for this Activation. If the new card is equal to or lower than their original Action Card, then they receive the Stunned Condition (even if they may not usually be Stunned) and their Activation ends.

RAPID: When this Unit makes a Focused Move Action, or the Free Move Action as part of a Charge it moves an additional 3" instead of the normal 2". It also adds +1 to any Sprint rolls it makes.
