THIS UNIT HAS THE FOLLOWING SPECIAL RULES:

TARGET PRIORITY, (For more details see p.12 of the Rules)

FORWARD ECHELON: While this Unit is within 3" of one or more Friendly non-Disordered HANDS or TROOPS Units, this Unit and the HANDS or TROOPS Units ignore the Brutal Quality from any hits against them. This Unit may Go On Lookout for a cost of one Action Point, regardless of how many Combat Actions it has made this Round.

GALVANIC: The Stun and Disorder Qualities do not cause Attribute penalties to be suffered by this unit, though they still count as having the Condition.
