THIS UNIT HAS THE FOLLOWING SPECIAL RULES:

TEAMWORK, METTLE, TARGET PRIORITY, (For more details see p.12 of the Rules)

BLESSINGS OF THE ALLSHARD : REACTION - Once per Round, provided at least one Model in this Unit is within 3" of a Portal marker, the Unit can take a Mind check if they are declared as the Initial Target of an Attack. If passed, that Unit may remove a single Negative Condition of their choice from themselves. If failed, the condition remains as normal.

COUNTER STRIKE: REACTION - When an enemy Unit has made a Strike Action against this Unit and all required Grit checks have been resolved, any surviving Models in this Unit may immediately make a Free Strike Action with a Rate of Attack of 1 against the enemy Unit that attacked them.

DEATH-DEALER: When this Unit is Engaged with more than one Model, all this Unit's Melee Weapons gain -1 Piercing and the Brutal Quality. If the Attack already has Brutal, it gains Lethal instead. If it also has the Lethal Quality, it gains Fatal instead. Weapons that gain one or more of these qualities on a Critical Success only benefit from having those qualities for Death-Dealer on a Critical Success.

DYING BREATH: Should this Unit be destroyed (but not if it is otherwise removed from play) it can make a free Combat Action or Special Action before being removed from the Play Area.

IMMUNE TO PAIN: The Hazard Condition has no effect on this Unit and if applied is immediately removed. This Unit may ignore the first point of Piercing from an attack, unless the attack has the Blast or Torrent Quality.

PARRY: REACTION - After Hits have been Allocated from a Strike Action to this Unit, the Initial Target makes a Fight Check. For each point this check exceeds ten, add +1 to the Unit's Grit for the duration of that Strike Action. Any Conditions that would be applied by the Strike Action on a Hit are not applied if the Grit check is passed.
