BASIC MELEE ATTACK

	-	0	1
---	---	---	---

THIS UNIT HAS THE FOLLOWING SPECIAL RULES:

TEAMWORK, THE QUICK AND THE DEAD, TARGET PRIORITY, (For more details see Special Rules on p.12 of the rules book)

THE WAYLAND WAY: Panday Beck may only be included in a Force that includes Wayland the Smith. Beck may only make Combat Actions with weapons with the Special quality if he is within 5" of Wayland the Smith. Furthermore, while Beck is within 5" of Wayland the Smith, should Beck be nominated as the Initial Target of an attack, Wayland the Smith instead becomes the Initial Target of the attack as he dives in front of the bullet, or pushes Beck aside at the last minute. Calculate range, Line of Sight and cover bonuses etc to Beck but resolve the Grit Check on Wayland the Smith instead.

UNDERCOVER: The Unit must be held in Reserve. Once available the Unit is deployed anywhere in the Play Area. You must deploy at least 12" from an enemy Unit and cannot deploy into a transport. Unless it is within 8" and Line of Sight, this Unit cannot be nominated as the Initial Target of an attack by any HUMAN enemy Units unless that Unit first successfully passes a Mind Check.
